ALL DISTRICT 19-H LIONS CLUBS

RE: CAMP HORIZON FOUNDATION
HARRISON HOT SPRINGS GETAWAY RAFFLE RESULTS

District 19-H Lions Club Members

Our Foundation would like to thank all the Lions Clubs and their Members who sold or purchased tickets for our recent fund-raising raffle. The winning ticket was drawn at the Spring Conference. The lucky winner was Aundrea Holmes, wife of Lion Ron Holmes of the Dogwood Monarch Lions Club.

With your support, we raised over \$2200 to support our operations at Camp Horizon. Another great result!

It is our plan to continue operating a small number of these "Getaway" raffles each year. We are actively seeking District Clubs to assist the Camp Horizon Foundation by providing the prize for future raffles. If your Club has a Hotel, Resort, special B&B or small Inn located near you that would make an attractive getaway package, please consider approaching that business to donate the prize. We can provide you briefing material regarding the Camp to help "sell" the business on making the donation. The Camp Horizon Foundation will "run" the raffle by printing and distributing the tickets to District Clubs, providing the accounting and record keeping. All your Club needs to do is come up with the prize! If you want more information, please contact our Treasurer Micki Sipherd at mickibluz923@yahoo.com or the undersigned.

Thanks again for your support and I hope to see you at Camp during one of our Spring Spruce-Up Weekends.

Yours in Lionism
